THE CIRCUIT OF SUBMISSION OF YOUR THESIS

Creation of an account STEP by your Doctoral School allowing the visibility of the subject in preparation since

Appointments with a research specialist
Individual study carrels – Suggestions for purchase
Interlibrary loan service
Help to the shaping of the bibliography and the body of the thesis

Checking the thesis in the anti-plagiarism software
Submission of the digital file of the thesis
Submission of the certification of conformity

(These steps are made with your Doctoral School)

This document proves that everything is in order with the libraries of UT1C.

Before asking for a full discharge, you must have returned all borrowed library ressources.

Your Doctoral School remains your main contact for everything concerning the preparation of your defense: from the constitution of the jury to the publication of your diploma, including the transmission of reports.

This operation made by the library allows a long-lasting archiving of your thesis with
