

Taught entirely in English/ 2nd semester taught entirely by professionals

Academic Manager: Hugues Kenfack, Professor

DESCRIPTION

Objectives:

This program gives students and professionals knowledge and know-how in international business law. Its purpose is to train international business lawyers.

The program offers three specialties linked to the three specialities of the Cluster of Toulouse:

- Aeronautic, space and embedded systems (*Aerospace Valley*)
- "Cancer- Bio-Health"
- Construction industry

The distinctiveness of this Master is to deliver seminars taught almost completely by professionals in these areas (Airbus, Atr, Latecoere, Eads Astrium, Spot Image, Thales, Continental, Pierre Fabre, 3a Groupe...).

The Master IBL is composed of two semesters, with compulsory and optional courses, and an internship (minimum of three months), and exceptionally a thesis related to areas of the cluster.

SKILLS AND TARGETED OCCUPATIONS

Skills:

Occupational integration preparation, legal document drafting, plea and counselling simulations.

Targeted occupations:

You may read the OFIP's surveys about occupational integration of the graduate student:

The OFIP (*Observatoire des Formations et de l'Insertion professionnelle*) surveys the academic and professional future of the alumni: continuation or resumption of studies, occupational integration, after 30 months situation (work, studies, unemployment), occupation characteristics (sector, status, functions, professions, wages, geographical mobility).

Available on the UT1 website, tab "*Orientation et insertion*" or at the SUIO-IP.

Pedagogical means and methods:

In an internal attendance mode, the coursework is adjusted to the number of students enrolled in the Master 2. Besides theoretical courses conducted by teachers, a practical and concrete approach of studied topics is provided by professionals. Students will also be granted free access to various university services such as computer rooms or documentation services.

Assessment: Assessment procedures for exams are detailed in the university exam decree.

ADMISSION AND REGISTRATION REQUIREMENTS**Targeted public:**

You wish to apply for a master 2 at the university for 2017/2018: the procedure implies a selective access, considering there are no selections for the master 1. Considering a Master 1 (or equivalent) graduation in 2016/2017, your continuation into a master 2 is compelled by the regulation in effect at the start of the academic year 2016/2017.

Admission Criteria

The M2 is open to:

- Students who have acquired 60 ECTS credits from their first year of Master specialised in international and European legal issues, but not exclusively.
- Students must demonstrate proficiency in the English language.

Registration for students with a French degree (Master 1)

- You must apply online. Check the conditions on this page : <http://www.ut-capitole.fr/formations/s-inscrire/admissions/>

Registration for students with a foreign degree

Download the application form from the university website (<http://www.ut-capitole.fr/europe-et-international/etudier-a-ut1/hors-programmes-d-echanges/>) and follow the instructions. The deadline to apply is **usually April 30**.

According to your country of residence, you may have to comply with specific and mandatory procedures. Please get in touch with the Campus France office in your home country or check at: www.campusfrance.org.

Registration capacity: This course is designed for a maximum number of 20 students.

Important dates: Application from 9 May 2017 to 1st June 2017.

Registration fees: visit the University website.

EMPLOYABILITY-AID SCHEMES (conducted in French)

- **Internship:**

The internship is compulsory and the relationship between the student, the company and the university must be defined by an Internship Agreement (available on *ENT* tab *Study*). More information at the Internship Office.

- **Guidance on occupational integration:**

Occupational integration workshops are conducted by the SUIO-IP :

- Building up a career project: highlighting experiences; identifying strengths; building a project.
- Hunting job techniques: CVs, cover letters, preparing for interviews.
- Student exchange: CVs, cover letters and interviews in English, applications in Spanish.
- Building up a Skill Portfolio (*Portefeuille d'Expériences et de Compétences*) with the PEC platform online.

Conferences and job days on various topics are organised throughout the year : « Searching for an internship », « Keys for successful first steps into a company », « VIE »...

The timetable is available at the SUIO-IP, in the University Newsletter and on the University website (tab *Orientation et insertion* and *Actualité*). Online registration.

Career guidance counsellors welcome and provide information at the SUIO-IP, (without appointment). Educational and career documentation is available at the help desks.

- **Alumni Network:**

Sign up for the University Capitole 1 professional network at <https://alumni.ut-capitole.fr> and check out internship or employment opportunities, graduate/student/company directories, news, events and discussion groups.
