General Guidelines

The pedagogic registration must be completed online just after your administrative registration, whilst at the same time respecting the registration period (see above dates). This step is compulsory to enable you to sit your exams.

Magistère 3rd year : Students registering in the Magistère 3rd year programme have to pay a supplementary registration fee as well as completing a second registration using the code MGE5.

Step 1. Pedagogic registration online (inscription pédagogique).

Step 2. Complete your personal details, name, address, date of birth etc.

Step 3. Choose your cursus.

Ex: “Master 2 Economics of Markets and Organizations”, “Master 2 Statistics and Econometrics”, etc.

Step 4. Select your compulsory options from the list, for each semester. You will have about 3 weeks to attend all classes at the beginning of each semester, and then you can change your options if you wish so. In this case, you MUST inform the M2 office (MA106).

Please note that :

- 16 students maximum (+4 students from ENAC – compulsory course for them) are allowed to attend the course “Air Transport Economics” (M2 EMO). The students will be selected late September, by drawing lots. Registering to this course now does not necessarily mean that you will be definitively accepted.
- 30 students maximum are allowed to attend the course “Economic Analysis of Infrastructure and Network Industries” (M2 EMO & PPD).

Step 5. Verify and validate your details and selected options.

Step 6. Print and sign your contract.

As soon as you have validated and signed your pedagogic contract, you accept the terms and conditions for the exams laid out by UT1 Capitole (available online). You are advised to keep a copy of your pedagogic contract in case of dispute.
