## ABOUT

The ENGAGE.EU Summer School is an intensive two-week undergraduate summer program taught by professors and lecturers from ENGAGE.EU universities. The main objective of the program is to provide specific knowledge and skills needed to successfully address sustainability challenges in the contemporary business world, with a special focus on Europe. The academic program consists of an integrated course complemented by practical elements, such as visiting local companies and solving case studies in intercultural groups. It is taught in English and totals 5 ECTS credits.

## HOW TO APPLY?

To apply, please click [here](#). You will be asked to provide:

- Motivation statement: a digital file (video, text, visuals, slides, ...)
- explaining your background and your interest and motivation for the topic of the summer school (in English).
- Transcript of records (in the official language of your home university).
- Passport and passport photo.

### Application period:

**15 February-15 March 2023**

## ADDITIONAL ACTIVITIES

The ENGAGE.EU Summer School includes various social and cultural activities providing students with opportunities for intercultural exchange and cultural enrichment through in- and outdoor activities in Vienna. These events allow students to get to know Vienna and make their stay there a unique experience.

## APPLICATION REQUIREMENTS

All undergraduate students from the ENGAGE.EU partner universities are encouraged to apply for the summer school as long as they:

- have completed a minimum of one academic year by the time of participation in the summer school (July 2023),
- have a strong interest in the topic of the summer school.

## PRACTICAL INFORMATION

Administration fee: € 100 (including course materials, use of learning facilities, coffee, and lunch)

Please note: The program fee does not include accommodation (click [here](#) for some suggestions).

Nominated students may be eligible to receive ERASMUS financial support from their home universities.
