General Guidelines

The pedagogic registration must be completed online just after your administrative registration, whilst at the same time respecting the registration period (see above dates). This step is compulsory to enable you to sit your exams.

Magistère 3rd year : Students registering in the Magistère 3rd year programme have to pay a supplementary registration fee as well as completing a second registration using the code EUMAG3.

Step 1. Pedagogic registration online (inscription pédagogique).

Step 2. Complete your personal details, name, address, date of birth etc.

Step 3. Choose your cursus.

Ex: "Master 2 Economics of Markets and Organizations", "Master 2 Statistics and Econometrics", etc.

Step 4. Select your compulsory options from the list, for each semester. You will have about **3 weeks** to attend all classes at the beginning of each semester, and then you can change your options if you wish so. In this case, you **MUST** inform the M2 office (study-m2@tse-fr.eu).

Step 5. Verify and validate your details and selected options.

Step 6. Print and sign your contract.

As soon as you have validated and signed your pedagogic contract, you accept the terms and conditions for the exams laid out by UT Capitoile (available online). You are advised to keep a copy of your pedagogic contract in case of dispute.
