

How do I fill out my Learning Agreement?

The Learning Agreement, also known as the "study plan" or "study contract", is a document on which students applying for mobility fill out the courses they will be taking during their mobility. These courses must be equivalent to the courses taken at TSM. **This document is mandatory for each destination.** Here's how to fill it out.

At the application stage, it is not necessary to fill out the other sections.

Page 2 : Section to be completed BEFORE THE MOBILITY

To fill out the form you need to look at the courses you would have taken at TSM and find the equivalent courses at the partner university.

- ❖ Find out more about the content of TSM training courses, which you can find on the TSM website under the "**Programme**" menu, select your course and consult the "Program" section. If you don't find what you're looking for, don't hesitate to contact the Administrative Officer of the diploma concerned.

- ❖ By consulting our destinations map, select your choice of destination to access the course catalogue (which you can use to find course equivalents).

For mobility in Europe, the total number of ECTS credits must be entered:

- For a semester start: minimum 30 ECTS
- For a full-year start: minimum 60 ECTS (it is not necessary to total exactly 30 ECTS per semester, as long as the full-year total reaches 60 ECTS).

Rules to know :

- You have the option of taking 4 ECTS for 1 semester or 2 ECTS if you take a language course each semester.
- It is possible to exceed 30 ECTS per semester.
- You can take courses at your own level and at a lower level (e.g. an L3 student can take L1, L2 and L3 courses). Conversely, you may not take courses at a higher level (an M1 student is not allowed to take M2 courses), unless explicitly granted by your Academic Advisor.

When choosing your courses, you must respect the rules of the partner university. Either it provides a catalog of courses dedicated to exchange students, or it opens up its entire range of courses. **Pay close attention to course access levels and prerequisites.**
