

Courses open to the exchange students TSE NON partner institutions

Licence 1 - Licence 2
2023-2024

**Minor in economics: -50% of your course
choices at TSE**

LICENCE 1ère année mention ECONOMIE

Parcours Economie et Gestion

2023-2024

	Erasmus code	Credits ECTS	Number of hours: Lectures (CM)	Number of hours: Tutorials* (TD) (TP)	Language of teaching	Professor
Semester 1						
Economie générale	ELUED101	6	30	15	French	I. Péchoux
Introduction à la Gestion	ELUED102	6	30	15	French	B. Hameau
Mathématiques pour l'économie et la gestion 1	ELUED103	7	45	24 + 4,5 TP	French	J.-L. Voléry
Introduction au Droit	ELUED104	4	30	/	French	S. Hortala - E. Fohrer-Dedeurwaerder
Semester 2						
Microéconomie de la production	ELUED200	5,5	30	15	French	S. Parenty
Macroéconomie générale 1	ELUED201	5,5	30	15	French	I. Péchoux
Mathématiques pour l'économie et la gestion 2	ELUED202	7	45	30	French	J.P. Ibrahim
Statistique Descriptive pour l'économie et la gestion	ELUED203	4	18	15	French	S. Casanova

CM: "Cours Magistral" means **Lecture**

TD: "Travaux Dirigés" means **Tutorials**

TP: "Travaux Pratiques" means **Practical Tutorials**

All these courses are taught in French, and the final written exams will be in French too.

*Tutorials:

Please note that you are just allowed to take the **TDs taught in French, not in English**

Tutorial attendance (compulsory)

Any absence must be justified to the teaching assistant during the TD course right after your absence (medical certificate, other documents to justify the absence)

3 unjustified absences to tutorials means: you will obtain a tutorial grade equal to zero even if you were present at the mid-term exams

Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French):

Attendance to these mid-term exams is compulsory.

However, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade.

You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade.

In most cases the final grade represents: 50% of the tutorial grades and 50% of the final written exam

First Semester: Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)

Economie générale: 2 Mid-term exams

Introduction à la Gestion: 2 Mid-term exams

Mathématiques pour l'économie et la gestion 1: 2 Mid-term exams

At the beginning of the course in September, you will have 3 pre-tutorial classes in Mathematics, a test in September (evaluation of your level).

Second Semester: Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)

Microéconomie de la production: 2 Mid-term exams

Macroéconomie générale 1: 2 Mid-term exams

Mathématiques pour l'économie et la gestion 2: 2 Mid-term exams

Statistique Descriptive pour l'économie et la gestion: 1 Mid-term exam

LICENCE 1ère année mention ECONOMIE

Parcours Economie

2023-2024

	Erasmus code	Credits ECTS	Number of hours: Lectures (CM)	Number of hours: Tutorials (TD) (TP)	Language of teaching	Professor

Compléments en mathématiques 4**	ELMED401	4	30	15	French	M. Voléry
Base de données	ELUED405	4	15	30	French	M. Andonoff

CM: "Cours Magistral" means **Lecture**

TD: "Travaux Dirigés" means **Tutorials**

All these courses are taught in French, and the final written exams will be in French too.

*Tutorials (TDs) in Microéconomie du consommateur, Macroéconomie générale 2, Microéconomie du marché, Macroéconomie générale 3:

Please note that you are just allowed to take the **TDs taught in French, not in English**

**Electives courses: you can only choose one course between these 2 (First semester).

Tutorial attendance (compulsory)

Any absence must be justified to the teaching assistant during the TD course right after your absence (medical certificate, other documents to justify the absence)

3 unjustified absences to tutorials: the tutorial grade is equal to zero, even if you were present at the mid-term exams

Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French): Attendance to these mid-term exams is compulsory.

However, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade.

You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade.

In most cases the final grade represents: 40% of the tutorial grades and 60% of the final written exam

or 50% of the tutorial grades and 50% of the final written exam (depending on the course)

First Semester: Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)

Microéconomie du consommateur: 2 Mid-term exams

Macroéconomie générale 2: 2 Mid-term exams

Mathématiques pour l'économie et la gestion 3: 2 Mid-term exams

Probabilités pour l'économie et la gestion: 1 Mid-term exam

The attendance to these mid-term exams is compulsory.

But, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade:

only for Microéconomie du consommateur, Macroéconomie générale 2, Mathématiques pour l'éco et la gestion 3,

Probabilités pour l'éco et la gestion, Mathématiques pour l'éco et la gestion 4.

You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade.

Second Semester: Mid-term exams and organization in "small groups"

Microéconomie du marché: the course is taught in "small groups". There are 2 mid-term exams during the semester, no final exam. Attendance is compulsory.

If you have missed one of these 2 mid-term exams: a retake exam will be possible only if you can justify your absence.

Final grade: average of the 2 mid-term exams + grade for course participation

Macroéconomie générale 3 : the course is taught in small groups. There are 2 mid-term exams during the semester, no final exam.

Attendance is compulsory.

If you have missed one of these 2 mid-term exams: a retake exam will be possible only if you can justify your absence.

Final grade: average of the 2 mid-term exams + grade for course participation

Mathématiques pour l'économie et la gestion 4 : 2 Mid-term exams

Statistiques Inférentielles pour l'économie et la gestion: 1 Mid-term exam

Base de données: 1 or 2 Mid-term exams

Courses open to the exchange students TSE NON partner institutions 2023-2024
