French Language and Culture Course (LCF): Levels A0 to C1

Objectives	Acquisition of greater linguistic autonomy in everyday life and academic settings. Gain in-depth knowledge of French society and culture.
Content	Pedagogical activities focused primarily on oral skills: comprehension of authentic audio and video materials and oral production activities such as role plays, presentations and debates. Written comprehension and expression, reinforced with homework assignments
Assessment	Continuous assessment with mandatory attendance and regular work required. * Successful completion of this course entitles students to 3 ECTS credits, subject to conditions.

CRL Conversation Workshops: levels A1 to C1

	EXCHANGING ON VARIOUS TOPICS
Objectives	Students will exchange freely on their cultures and experiences of living and studying in Toulouse.
Content	Discussions and role plays based on various materials (videos, film posters, news media and photos.)
