# Welcome Week Information

Dear students,

It is our pleasure to welcome you in Toulouse and at the Toulouse 1 Capitole University.

We hope that your stay at our university will be an excellent experience.

The Welcome Week is here to prepare you for the year ahead!

## Welcome Session

The Welcome Session is compulsory for international students. It will be an opportunity for us to welcome you in Toulouse. At the same time you will learn about the organisation of the academic year, the difference between administrative and pedagogic registration, the importance of your Learning Agreement, etc.

You will also learn about:

- French courses
- Sport at the university
- Culture events and workshops
- ESN

## Introduction Session

The Faculty of Law and Political Science, Toulouse School of Management and Toulouse School of Economics will welcome you at the Introduction Session. It is obligatory to attend Introduction Session of your major and minor if you have chosen any.

The Faculty of Information Technology will have a meeting on Thursday 1st September together with their registration meeting in the room J100.

The students with the major at Faculty of Administration and Communication have a meeting on Wednesday at 9:00 in the room J100. If you have chosen a minor at this Faculty you do not need to participate in this meeting.

## Registration meeting

This meeting will be an opportunity to finalise your university registration and also ask any questions you might have.

If you are a student coming from Europe, please bring your European Health Insurance Card (or GHIC). We will discuss the health insurance with the students coming out of Europe in the meeting. This is a compulsory requirement.

## Sports events

The Department of Sports prepared two sports events for you. You can enjoy this opportunity to meet with other international students and learn about the sports activities at the university. Please send us an email to register for these events: [welcome-ut1@ut-capitole.fr](mailto:welcome-ut1@ut-capitole.fr)

## Campus Tour

Join the Campus Tour to discover the campus and gain time at the beginning of the academic year confidently finding your classes and knowing all the libraries. Meeting point in front of the library Arsenal.

Please respect the time slot you were assigned for the Campus Tour!

## Coffe Break

This will be an opportunity to meet around a cup of coffee or tea and some nice French 'patisseries' to end the Welcome Week.
